Connecting an iOS device to MSUstudent

**Step 1.**

Click the **Settings** icon  on your iOS home screen to open the iPhone Preferences pane. From the settings pane, select Wi-Fi.

**Step 2.**

Turn on Wi-Fi at the top of the page, then select **MSUstudent** from the available networks list.

**Step 3.**

Enter your MSUNET2K username and password and click **Join**.

**Step 4.**

Click **Accept** and you will be connected to the wireless network.
